

Have you experienced

SEXUAL HARASSMENT IN THE WORKPLACE?

What is sexual harassment?

Sexual harassment is a broad term that includes verbal, visual, and/or physical behaviours that are unwanted, offensive, sexual, and degrading in nature.

Everyone has the right to a workplace where they feel both emotionally and physically safe.

What is **SHAPE**?

Sexual Harassment | Advice | Prevention | Education

SHAPE is a coalition of 20 Ontario community legal clinics providing free resources, public legal education and legal advice to prevent and address workplace sexual harassment.

SHAPE is staffed by lawyers and paralegals.
